

KINFRA MARKS ITS PRESENCE AT FOOD EX JAPAN

WG. CDR. K A SANTHOSH KUMAR, MD, KINFRA GREETING RAJ KUMAR SHRIVASTAVA, DEPUTY CHIEF OF MISSION, EMBASSY OF INDIA, AT THE STALL IN TOKYO

In an initiative to promote the food processing industries in Kerala and to market the Food Parks being set up in the State, WG. CDR. K A Santhosh Kumar, MD, KINFRA represented the Kerala delegation at FOOD EX Japan, the largest exhibition dedicated to food and drinks across Japan and the world. The four-day exhibition with around 82,000 buyers was designed to be

of great assistance in creating and expanding business opportunities in the food industry and to widely introduce information on the latest trends regarding the food industry. KINFRA and AOTS Research Institute (ARI) had discussions on the feasibility of organising training-programme for staff as well as for the entrepreneurs in the Industrial Parks since such programmes definitely

extend benefits for them.

Leading exporters especially those into alcoholic beverages, organic and processed food exporting companies participated at the India Pavilion. The food products such as dehydrated vegetables, organic traditional tea, honey, ready to eat curry, mango pulp and juices, snacks, coconut water, wine, beer and spices were displayed by the participating companies during the show.

Kerala delegation consisting of representatives of KINFRA and KSIDC made their presence by displaying banners, brochures and running food processing videos on TV screens in the booth. Visitors from various countries attended FOOD EX Japan 2018 and had passionate meetings at the exhibitor booths during the trade fair. The other companies that participated in the Kerala Pavilion and showcased their products are Nature's Spices, Biowin Agro Research, Zeba Lab Furniture Pvt. Ltd., and Mathewsons Food Specialities (P) Ltd.
