**Notice Inviting Request for Proposal (RFP) for Selection of Total Consultant (Engineering cum Project Management Consultant) For Development of Additional Land in KINFRA Mega Food Park as Second Phase Expansion of the Project at KINFRA Mega Food Park, Kozhippara, Palakkad.**

Request for Proposal (RFP) is invited by the Managing Director, KINFRA, Head Office at KINGRA House, Sasthamangalam, Trivandrum - 695 010 for Selection of Total Consultant (Engineering cum Project Management Consultant) for Second Phase Expansion & Development of Additional Land in KINFRA Mega Food Park Project at Kozhippara, Palakkad

**KERALA INDUSTRIAL INFRASTRUCTURE DEVELOPMENT CORPORATION (KINFRA).**

**1. Introduction/Background**

Kerala Industrial Infrastructure Development Corporation [KINFRA] aims to bring together all suitable resources available in the state to develop infrastructure to facilitate the industrial growth of the state. KINFRA is dedicated to catalyse industrial growth in Kerala by providing the best industry-specific-infrastructure.

KINFRA has identified over 20 core competency areas. It has 24 well-defined industrial parks, most of which are functional and some are in the launching phase. Each of these parks offers comprehensive infrastructure and support services to the entrepreneurs.

KINFRA provides single window clearance facilities for industrial units for regulatory licenses and clearances.

**2. Selection of Total Consultants (Engineering cum Project Management Consultancy)**

**2.1 Objective**

KINFRA plan to develop additional land of 18.07 acres adjacent to the Mega Food Park as Second Phase expansion of KINFRA Mega Food Park along with infrastructure facilities. **The estimated cost for the entire project is about Rs 10.00 Crores.** Also intends to develop and maintain all its parks as Green industrial parks as per the norms set up by GRIHA/IGRE/International.

KINFRA intends to engage the services of a Total Consultant (Engineering cum Project Management Consultant) with required expertise in this sector.

It is expected that the Total Consultant will assist KINFRA in project formulation and Appraisal including the Architectural, Structural, Facade engineering, mechanical, electrical, plumbing, air conditioning, fire fighting services etc. and implementation of the Projects till the successful completion, commissioning and handing over works to KINFRA and comprehensively supervise the works and activities carried out by the Contractors.

**3. Scope of work by the Total Consultant**

The Consultant also will be responsible for providing the service support from the Project Formulation stage to execution of the project with due control for safety, quality control, cost

control, project monitoring; and after successful completion and commissioning, hand over the works and undertake periodic inspection till the defects liability period, of the Project, as detailed below:

### **Preliminary Phase**

- Preliminary survey and subsoil investigation.

- Preparation of DPR.
- Assisting client in getting requisite approval from authorities concerned.

### **Bid Process Management Phase**

- Preparation of detailed Architectural & detailed Engineering designs, drawings and detailed estimate (including Mechanical, Electrical, Plumbing and Fire fighting services etc.) and submission to client approval. Modification, if any, after proof checking arranged by Client, to be incorporated in the drawings and resubmitted for approval.
- Preparation and finalisation of bid document.
- Finalisation of qualification and selection criteria for the Contractors.
- Evaluation and recommendation for selection and appointment of Contractors.

### **Pre-construction Phase**

- Finalisation of contract document.
- Additional working drawings, if any.
- Getting and recommending Contractor's work schedule.
- Assist KINFRA in obtaining Green Building/Green Park ratings from GRIHA/IGBC/LEED or equivalent, wherever required (Expense will be met by KINFRA).
- Periodical inspection of work site as required by KINFRA till completion of work (for the work as given in the concerned NIT).

### **Construction Supervision and Project Management**

- Inspection and continuous supervision of works, by deploying competent and experienced Engineers, as per the requirement, and taking necessary remedial action wherever required during execution.
- Necessary inspection during defect liability period and reporting defects if any.
- Constructability and value engineering services.
- Finalisation and monitoring of contractor's work schedule.
- Total compliance of technical specifications, contract conditions and various other requirements contained in the respective contracts.
- Quality assurance system complying CPWD specifications/BIS/other contract clauses, in the consultancy as well as the works and activities of the contractor.

- Safety practices in execution of works at project site for ensuring complete safety for works, workers, general public and structures and properties adjacent to work site, as per contract.
- Overall contract administration and management including holding meetings and submission of monthly reports and monitoring of programme schedule.
- Proper verification of measurements and certification of bills submitted by the contractor so that payments made by KINFRA against these bills reflect the actual work done at site complying with the respective contracts.
- Proper interface and coordination among the KINFRA, Contractors, local bodies, State Govt, Central Govt etc.
- Assisting in replying to the audit/CTE observations/litigations, wherever required.
