INVITATION FOR BIDDING

INTRODUCTION

- 1.1. Kerala Industrial Infrastructure Development Corporation (KINFRA), a Statutory Body established by Govt. of Kerala has been the leader in providing industrial infrastructure for the State of Kerala. It has established a chain of Industrial Parks across the length and breadth of the State which include industry specific theme-based parks/special economic zones. For the Food Processing Industry, five Food Parks namely, KINFRA Food Processing Park (KIFPRO) at Kakkanchery, Special Economic Zone (Agro Food Processing) at Kakkancherry, Food Zone at KINFRA Small Industries Park (KSIP) at Mazhuvanoor, KINFRA Food Park at Adoor, and Seafood Park at Aroor have been established.
- 1.2. KINFRA has set up Mega Food Park under the Mega Food Park Scheme (MFPS) of Ministry of Food Processing Industry (MoFPI), Government of India. The primary objective of the scheme is to provide modern infrastructure facilities along the value chain from the farm to the market. The major facility called the Centralized Processing Centre (CPC) consisting of developed land for food processing units, is located in an area of about 79.42 acres at Elapully and Pudukkottai villages near Walayar in Palakkad. The CPC is also provided with a number of common processing facilities, of which **Spice Processing Facility** is a part. The CPC is further supported by four Primary Processing Centres at Mazhuvanoor (Ernakulam District), Koratty (Thrissur District), Kakkancherry (Malappuram District) and Kalpetta (Wayanad District) for undertaking pre-processing activities of produces from farmers to facilitate the linkage of agriculture production in the region with the food processing activities.
- 1.3 KINFRA Mega Food Park has excellent connectivity being located in the industrial belt of Palakkad region (*road connectivity with national highway NH 544 @ 5.5 kms, and with state highway SH 52 @ 9 kms; railway connectivity with Palakkad Junction railway station @ 20 kms; seaport connectivity with Kochi seaport @ 162 kms; airport connectivity with Coimbatore airport @ 40 kms*).
- 1.4 The Park provides basic enabling infrastructure like road network, sewerage system, power supply, water distribution system, as well as common processing facilities etc. The developed land is allotted to food processing units on long term lease basis.
- 1.5 The Spice Processing Facility set up in KINFRA Mega Food Park is part of the Common/Core Processing Facilities provided for the food processing industries in the Park as well as for those in the region around the Park. Common Processing Facilities are infrastructural facilities provided by KINFRA to support operations of the food processing sector, by which they can utilize these facilities as per individual requirements against payment of user fees for the period of use. The Spice Processing Facility is an

infrastructure facility meant for value addition of spice produces.
